

## Welcome Linda Baker MD, FAAP, CCH

Integrative Pediatrics is delighted to introduce you to Dr. Linda Baker who is board-certified in Pediatrics, certified in Classical Homeopathy, and trained in herbal medicine, nutrition, and energy medicine.

She now has office hours at Integrative Pediatrics where she will offer homeopathy and will be helping with regular pediatric care for our patients.

Dr. Baker has developed an online course for parents on how to use homeopathy for their children for acute illnesses, such as fevers and ear infections. This course is being offered for a limited time at half price. To sign up and get your discounted price, enter "INTPEDS" in the coupon code field using the link below:

In addition to offering a homeopathic alternative to vaccines for those families that do not want to vaccinate or choose to delay certain or all vaccines, Dr. Baker has found homeopathy to be helpful for the following conditions:

- ADD/ ADHD
- Anxiety
- Autism and Autism Spectrum Disorders
- Asthma and allergies including eczema (dry skin, dermatitis) and allergic rhinitis
- Behavior problems
- Chronic abdominal pain, irritable bowel and IBD (Inflammatory Bowel Disease)
- Headaches
- Recurrent Infections (ear, sinus, urinary, fevers, croup, viral)
- Menstrual issues
- Rheumatoid arthritis and autoimmune issues
- TICS and Tourettes
- Many acute illnesses

Please call 503.643.2100 if you are interested in a consultation or well-child visit with Dr. Baker.
